ABOUT THIS SERIES

The Allamahul Bayan Series

عَلَّمَهُ الْبَيَانَ

ʿallamahul-bayān — "He taught him clear expression"

الرَّحْمَٰنُ ﴿١﴾ عَلَّمَ الْقُرْآنَ ﴿٢﴾ خَلَقَ الْإِنسَانَ ﴿٣﴾ عَلَّمَهُ الْبَيَانَ ﴿٤﴾

Ar-Raḥmān. ʿAllamal-Qurʾān. Khalaqal-insān. ʿAllamahul-bayān.

"The Most Merciful. He taught the Qur'an. He created the human being. He taught him clear expression (al-bayān)."

Surah Ar-Raḥmān 55:1–4[1]

Surah Ar-Raḥmān — the chapter of *The Most Merciful* — opens by naming some of Allah's greatest gifts to us. First, **He taught the Qur'an**. Then, **He created the human being**. And then, **He taught him al-bayān**.

What does *al-bayān* mean? It comes from an Arabic root that means *to make something clear*. Al-bayān is the gift of speech and understanding: being able to put what is in our hearts and minds into words, to explain, to listen, and to be understood. Animals make sounds, but only people were taught to speak, read and write in languages. Scholars of tafsīr explain that this gift is what lets us learn, teach and pass on guidance — including the Qur'an itself.

So every time a child says a new word, sounds out a letter, or writes their first line in a new language, they are using a gift that Allah Himself says He taught. That is the heart of this series: **learning languages as a way of thanking Allah for al-bayān.**

Languages and colours: two signs of Allah

وَمِنْ آيَاتِهِ خَلْقُ السَّمَاوَاتِ وَالْأَرْضِ وَاخْتِلَافُ أَلْسِنَتِكُمْ وَأَلْوَانِكُمْ ۚ إِنَّ فِي ذَٰلِكَ لَآيَاتٍ لِّلْعَالِمِينَ ﴿٢٢﴾

Wa min āyātihī khalqus-samāwāti wal-arḍi wakh-tilāfu alsinatikum wa alwānikum. Inna fī dhālika la-āyātil-lil-ʿālimīn.

"And among His signs is the creation of the heavens and the earth, and the variety of your languages and your colours. Surely in that are signs for those who know."

Surah Ar-Rūm 30:22[1]

In Surah Ar-Rūm, Allah tells us that the **many languages** of people and their **many colours** are among His signs. A coloring book that teaches a language brings both of these signs together in a child's hands: they meet a new language, and they fill its letters with colour.

وَجَعَلْنَاكُمْ شُعُوبًا وَقَبَائِلَ لِتَعَارَفُوا

Wa jaʿalnākum shuʿūban wa qabāʾila li-taʿārafū.

"...and We made you into peoples and tribes so that you may get to know one another."

Surah Al-Ḥujurāt 49:13 (part)[1]

Allah made us into many peoples *so that we may get to know one another*. Learning even a few letters of someone's language is a beautiful first step towards knowing them.

How each book in the series works

Every book introduces one language **through English**:

- where the language is spoken, with a map to color;
- every letter of its alphabet, with its name in the language itself *and* in English letters;
- simple English sound guides, so a parent who has never heard the language can still help;
- a word and picture for every letter, to color, trace and say out loud.

Book 64 is Yoruba. More languages from around the world are in the series, in shā' Allāh.

FOR PARENTS AND TEACHERS

How to use this book

Begin with **Bismillah**, and go **little and often**: one letter a day is plenty for a young child. For each letter:

1. **Say it.** Read the letter's name and its sound guide together. Say it three times.
2. **Color it.** Color the big letter any way your child likes.
3. **Trace it.** Trace the dotted letters with a pencil, then try one alone in the empty boxes.
4. **Meet the word.** Say the word, color the picture, and talk about it in English.

Marker tip: every coloring page has a blank back, so colours cannot spoil the next activity. Slip a sheet of scrap paper behind the page you are coloring anyway — it keeps the next page clean.

Reading the English sound guides

- **CAPITALS** in the pronunciation show a **high tone** (say it with a higher voice): *ah-POH-TEE*. Small letters are middle or low.
- **ay** is Yoruba e, **eh** is ẹ, **oh** is o and **aw** is ọ. Vowels stay pure — they never slide.
- **kp** and **gb** are said with the back of the tongue and the lips at the same time.
- **n** after a vowel (an, in, un, ẹn, ọn) makes the vowel sound through the nose, as in French.

Three ways to see every sound

Each letter page shows the sound three ways: the letter's **Yoruba name** written in Yoruba (native phonetics), the **same name in English letters**, and an **English sound guide**. The box marked *Yoruba name · syllables* shows how Yoruba children name the letter (B is «bi», P is «pi», said *kp*ee) and its syllable row with all seven vowels.

The pronunciation guides are simplified for young learners and follow Standard Yoruba, based on the speech of Ọ̀yọ́ and Ìbàdàn.

MEET THE LANGUAGE

Hello, Yoruba! Yorùbá

yoh-roo-BAH — the Yoruba word for the language

Who speaks it?
About **45 million people** speak Yoruba.[3]

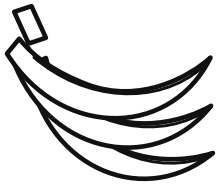

Where?
In south-western **Nigeria** and in **Benin** and **Togo**. Yoruba words are also sung far away, in Brazil and Cuba.

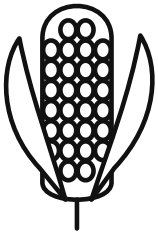

How is it written?
In the **Latin alphabet**, from **left to right**, with dots under some letters (ẹ ọ ṣ) and tone marks over the vowels (á à).

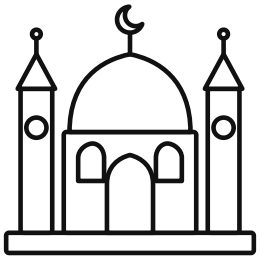

How many letters?
25 letters, with the special letters **Ẹ Ọ Ṣ** and the pair **GB**.

A singing language
Yoruba has three tones — high, middle and low. Drummers can even "talk" Yoruba on the *dùndún* drum by copying the tones!

Did you know?
Yoruba Muslims use many words from Arabic: *wákàtí* (hour, from *waqt*), *àlàáfíà* (peace and good health, from *al-ʿāfiya*) and *àlùbáríkà* (blessing, from *baraka*).

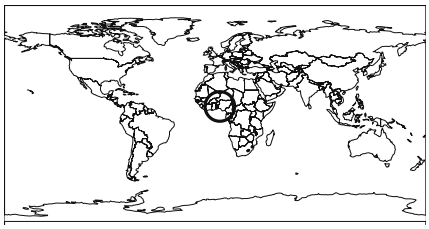

The Yoruba Alphabet álífábẹ́ẹ̀tì

25 letters — álífábẹ́ẹ̀tì Yorùbá

Aa *ah*	**Bb** *bee*	**Dd** *dee*	**Ee** *ay*	**Ẹẹ** *eh*	**Ff** *fee*	**Gg** *gee*
Gb gb *gbee*	**Hh** *hee*	**Ii** *ee*	**Jj** *jee*	**Kk** *kee*	**Ll** *lee*	**Mm** *mee*
Nn *nee*	**Oo** *oh*	**Ọọ** *aw*	**Pp** *kpee*	**Rr** *ree*	**Ss** *see*	**Ṣṣ** *shee*
Tt *tee*	**Uu** *oo*	**Ww** *wee*	**Yy** *yee*			

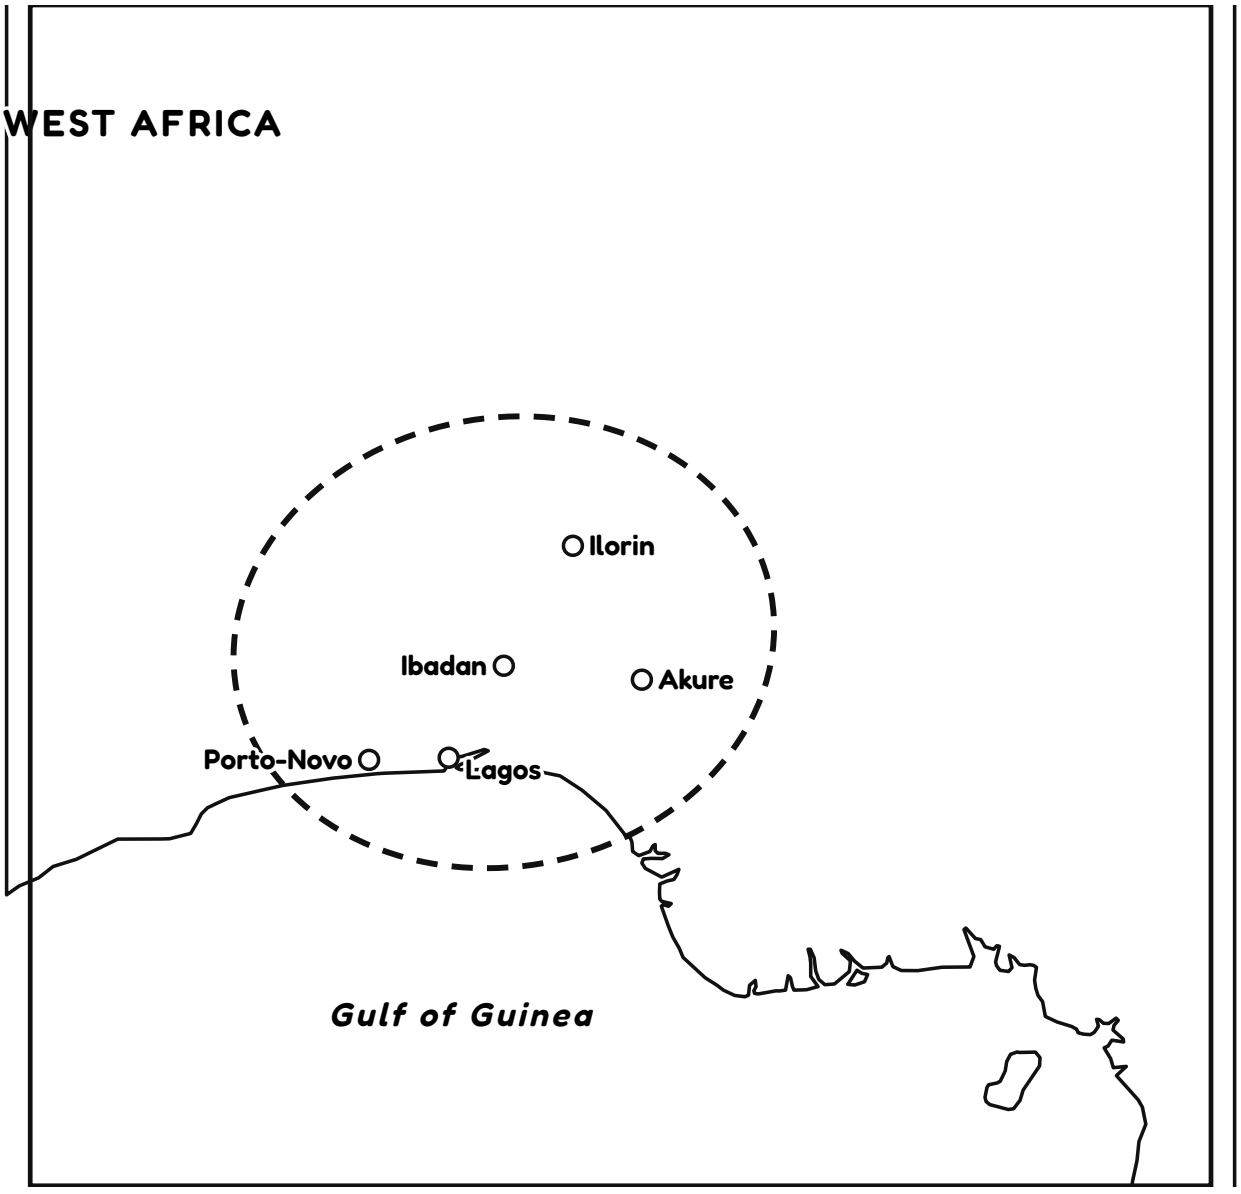

Read the alphabet row by row — the same order as in this book.

The circle shows Yorubaland, in West Africa, on the world map.

COLOR THE MAP

Where is Yoruba spoken?

Color it: the land **green** · the ocean **blue**. **Find it:** Yoruba is spoken in Lagos, Ibadan, Ilorin, Akure, Porto-Novo and many other towns. The dashed line shows where most Yoruba speakers live.

This page is left blank on purpose, so your colours don’t bleed through. ✿

THE LETTERS

The Letters álífábẹ́ẹ̀ètì Yorùbá

ah-LEE-FAH-BEH-eh-tee yoh-roo-BAH — “the Yoruba alphabet”

Yoruba has **25 letters**. It has no C, Q, V, X or Z — but it has **Ẹ**, **Ọ**, **Ṣ** and **GB**.

Dots under letters
A dot changes the sound: **e** says “ay” but **ẹ** says “eh”; **o** says “oh” but **ọ** says “aw”; **s** says “s” but **ṣ** says “sh”.

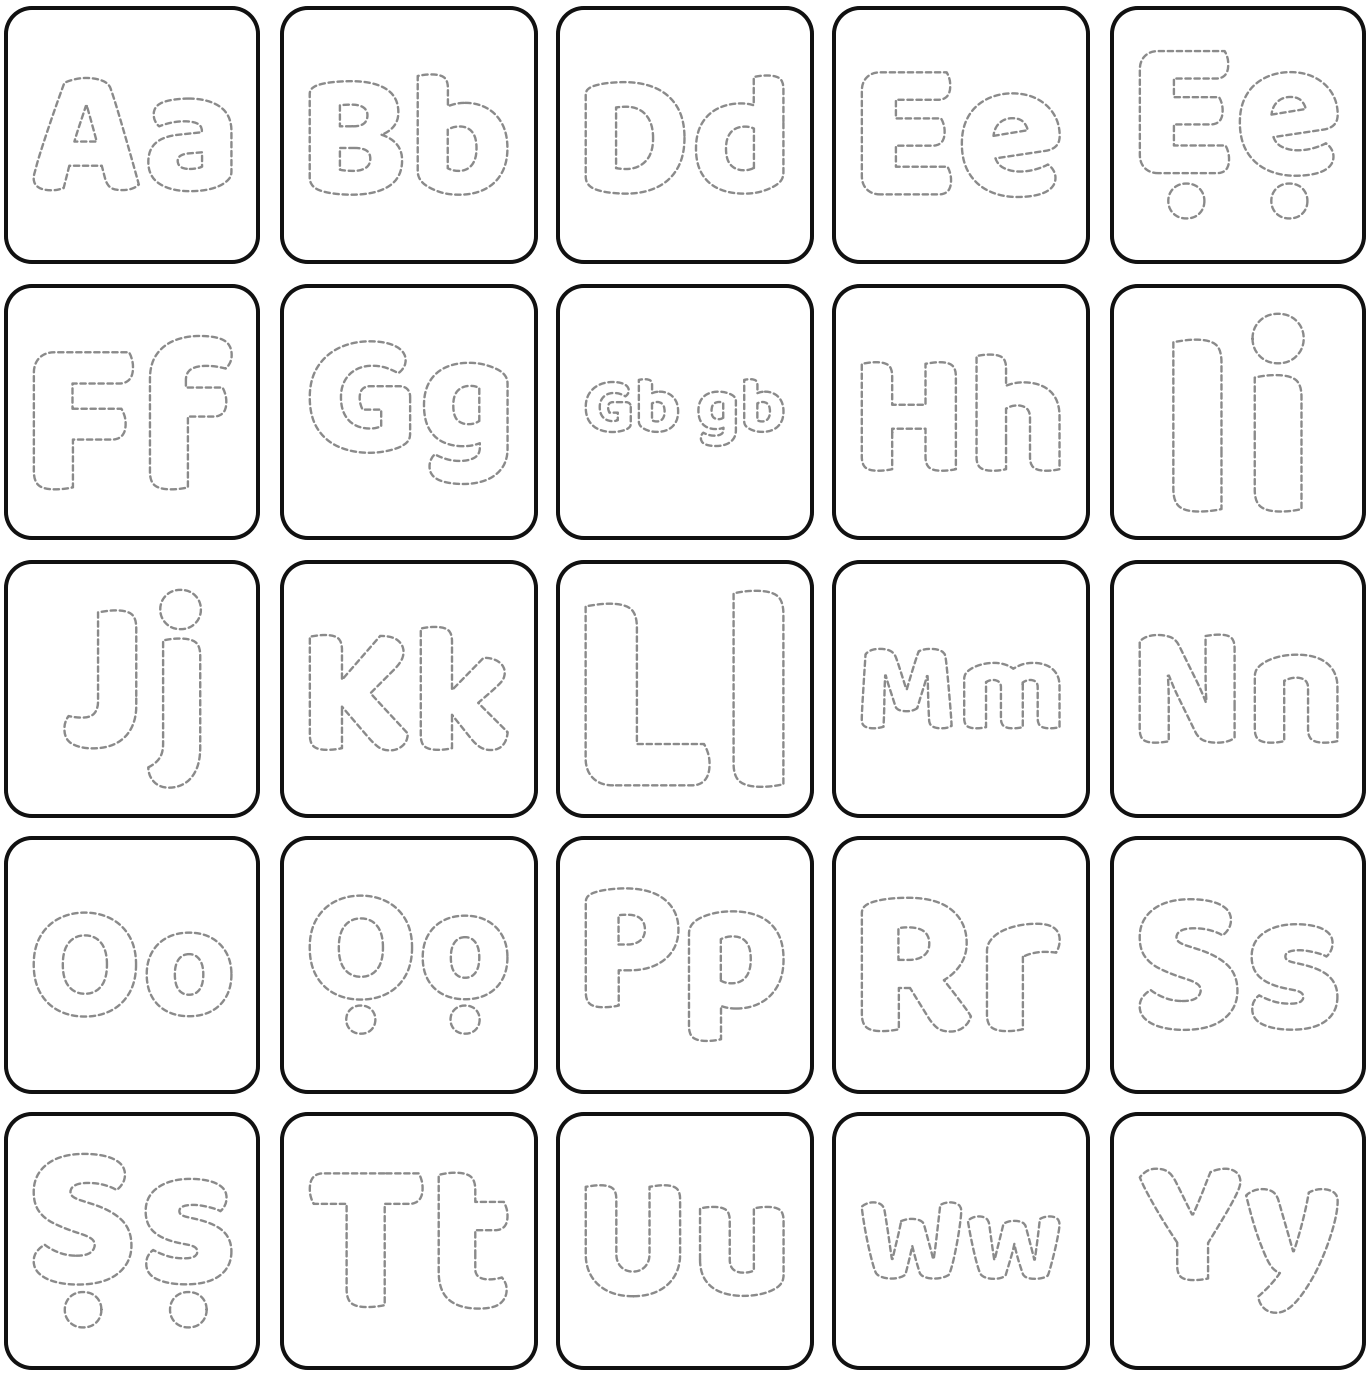

Singing tones
Yoruba words go up and down like a song. Marks over the vowels show the tone: **á** high (*do*), **a** middle (*re*), **à** low (*mi*). **igbá** is a calabash, **ìgbà** is time and **igba** is two hundred!

Big and small
Each page shows the **capital letter** and the **small letter** side by side: **Ẹẹ**. Color both!

PENCIL WARM-UP

Trace the letters álífábẹ́ẹ̀ètì Yorùbá

Use a **pencil**. Say each letter's name as you trace it.
