Color your way into Sinhala — one letter at a time!

Sinhala is spoken by about 17 million people as their first language, in Sri Lanka and around the world. This big, friendly coloring book introduces young children to **50 letters** of the Sinhala alphabet **through English** — no Sinhala needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Sinhala *and* English letters
- ✓ **Easy English sound guides** plus Sinhala phonetics (ක් + අ = ක)
- ✓ **A word and picture for every letter**: පොල් *pol* coconut, සඳ *sanda* moon…
- ✓ **Pencil tracing rows** and warm-up pages for vowels and consonants
- ✓ **Map to color**, Sinhala numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.

About the author. Hafez Abdullah Muhammad Minhaz Reza is a ḥāfiẓ of the Qur'an and holds a BSS and MSS in Economics from the University of Dhaka. A father of two, he founded the Kunujul Akhirah Charitable Trust and its publishing imprint, Maktabatu Kunujul Akhirah.
