Color your way into Inuktitut — one letter at a time!

Inuktitut is spoken by about 40,000 Inuit in Nunavut and Nunavik, in the Arctic of Canada. This big, friendly coloring book introduces young children to **42 syllables** of Inuktitut **through English** — no Inuktitut needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Inuktitut *and* English letters
- ✓ **Easy English sound guides** plus the whole syllabics row of every syllable (ᐱ > ᐸ: pi pu pa), its final and its long form
- ✓ **A word and picture for every letter**: ᐃᓚᓪ *iglu* house, ᖃᑲᖅ *qajaq* kayak…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Inuktitut numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
