Color your way into Somali — one letter at a time!

Somali is spoken by about 22 million people in the Horn of Africa and around the world. This big, friendly coloring book introduces young children to **26 letters** of Somali **through English** — no Somali needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Somali *and* English letters
- ✓ **Easy English sound guides** plus each letter's Somali name and its syllables (Ba: ba be bi bo bu)
- ✓ **A word and picture for every letter**: xiddig *hhid-dig* star, caano *'aa-noh* milk…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Somali numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.

About the author. Hafez Abdullah Muhammad Minhaz Reza is a ḥāfiẓ of the Qur'an and holds a BSS and MSS in Economics from the University of Dhaka. A father of two, he founded the Kunujul Akhirah Charitable Trust and its publishing imprint, Maktabatu Kunujul Akhirah.
