Color your way into Shona — one letter at a time!

Shona is spoken by more than 10 million people, mostly in Zimbabwe. This big, friendly coloring book introduces young children to **23 letters** of Shona **through English** — no Shona needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Shona *and* English letters
- ✓ **Easy English sound guides** plus each letter's Shona syllable row (ba be bi bo bu), the way Zimbabwean children learn to read
- ✓ **A word and picture for every letter**: zuva *ZOO-vah* sun, ruva *ROO-vah* flower…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Shona numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
