Color your way into Lingala — one letter at a time!

Lingala is spoken by about 40 million people along the great Congo River. This big, friendly coloring book introduces young children to **22 letters** of Lingala **through English** — no Lingala needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Lingala *and* English letters
- ✓ **Easy English sound guides** plus each letter's Lingala syllable row (ba be bɛ bi bo bɔ bu), including the open vowels Ɛ and Ɔ
- ✓ **A word and picture for every letter**: sanza *SAHN-zah* moon, fololo *foh-LOH-loh* flower…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Lingala numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
