Color your way into Dhivehi — one letter at a time!

Dhivehi is the language of the Maldives, spoken by about 340,000 people on its coral islands. This big, friendly coloring book introduces young children to **24 letters** of Dhivehi **through English** — no Dhivehi needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Dhivehi *and* English letters
- ✓ **Easy English sound guides** plus every letter written with all ten fili, the Thaana vowel signs (އަ އާ އި އީ...)
- ✓ **A word and picture for every letter**: ދޯނި *dhoani* boat, ކާށި *kaashi* coconut...
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Dhivehi numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.

About the author. Hafez Abdullah Muhammad Minhaz Reza is a ḥāfiẓ of the Qur'an and holds a BSS and MSS in Economics from the University of Dhaka. A father of two, he founded the Kunujul Akhirah Charitable Trust and its publishing imprint, Maktabatu Kunujul Akhirah.
