Color your way into Maithili — one letter at a time!

Maithili is spoken by more than 17 million people in Mithila, in north Bihar and the lowlands of Nepal. This big, friendly coloring book introduces young children to **51 letters** of the Maithili alphabet **through English** — no Maithili needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Maithili *and* English letters
- ✓ **Easy English sound guides** plus Maithili phonetics (क् + अ = क)
- ✓ **A word and picture for every letter**: आम *aam* mango, चान *chaan* moon…
- ✓ **Pencil tracing rows** and warm-up pages for vowels and consonants
- ✓ **Map to color**, Maithili numbers ०–९, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
