Color your way into Persian — one letter at a time!

Persian (Farsi) is spoken by about 110 million people in Iran, Afghanistan, Tajikistan and around the world. This big, friendly coloring book introduces young children to **32 letters** of Persian **through English** — no Persian needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Persian *and* English letters
- ✓ **Easy English sound guides** plus the letter's **joined shapes** at the start, middle and end of a word
- ✓ **A word and picture for every letter**: گل *gol* flower, کتاب *ketaab* book…
- ✓ **Right-to-left tracing rows** and a warm-up page — great practice for reading the Qur'an
- ✓ **Map to color**, Persian numbers ۰–۹, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
