Color your way into Japanese — one letter at a time!

Japanese is spoken by about 125 million people in Japan and around the world. This big, friendly coloring book introduces young children to **46 hiragana letters** of Japanese **through English** — no Japanese needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Japanese *and* English letters
- ✓ **Easy English sound guides** plus each letter's row in the fifty-sound chart and its katakana twin (か · カ)
- ✓ **A word and picture for every letter**: さくら *sakura* cherry blossom, りんご *ringo* apple…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Japanese numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
