Color your way into Cherokee – one letter at a time!

Cherokee is the language of the Cherokee people of Oklahoma and North Carolina, written in the famous syllabary created by Sequoyah. This big, friendly coloring book introduces young children to **85 syllables** of Cherokee **through English** — no Cherokee needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Cherokee *and* English letters
- ✓ **Easy English sound guides** plus each sign shown in its row of Sequoyah's syllabary chart
- ✓ **A word and picture for every letter**: ᏎᎷ *seh-loo* corn, ᎣᏓᎵ *oh-dah-lee* mountain…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Cherokee numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

> **The Allamahul Bayan Series** takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
