Color your way into Bambara – one letter at a time!

Bambara is spoken by about 14 million people in Mali and West Africa, and N’Ko is its own right-to-left script. This big, friendly coloring book introduces young children to **27 letters** of Bambara **through English** — no Bambara needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Bambara *and* English letters
- ✓ **Easy English sound guides** plus each letter’s joined shapes (start · middle · end) and its Latin letter
- ✓ **A word and picture for every letter**: ߞߊߟߏ *kalo* moon, ߘߏߟߏ *dolo* star…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Bambara numbers ߁–߀, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

> **The Allamahul Bayan Series** takes its name from Surah Ar-Raḥmān: *“He taught him clear expression”* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.

About the author. Hafez Abdullah Muhammad Minhaz Reza is a ḥāfiẓ of the Qur’an and holds a BSS and MSS in Economics from the University of Dhaka. A father of two, he founded the Kunujul Akhirah Charitable Trust and its publishing imprint, Maktabatu Kunujul Akhirah.
