ABOUT THIS SERIES

The Allamahul Bayan Series

عَلَّمَهُ الْبَيَانَ

ʿallamahul-bayān — "He taught him clear expression"

الرَّحْمَٰنُ ﴿١﴾ عَلَّمَ الْقُرْآنَ ﴿٢﴾ خَلَقَ الْإِنسَانَ ﴿٣﴾ عَلَّمَهُ الْبَيَانَ ﴿٤﴾

Ar-Raḥmān. ʿAllamal-Qurʾān. Khalaqal-insān. ʿAllamahul-bayān.

"The Most Merciful. He taught the Qur'an. He created the human being. He taught him clear expression (al-bayān)."

Surah Ar-Raḥmān 55:1–4[1]

Surah Ar-Raḥmān — the chapter of *The Most Merciful* — opens by naming some of Allah's greatest gifts to us. First, **He taught the Qur'an**. Then, **He created the human being**. And then, **He taught him al-bayān**.

What does *al-bayān* mean? It comes from an Arabic root that means *to make something clear*. Al-bayān is the gift of speech and understanding: being able to put what is in our hearts and minds into words, to explain, to listen, and to be understood. Animals make sounds, but only people were taught to speak, read and write in languages. Scholars of tafsīr explain that this gift is what lets us learn, teach and pass on guidance — including the Qur'an itself.

So every time a child says a new word, sounds out a letter, or writes their first line in a new language, they are using a gift that Allah Himself says He taught. That is the heart of this series: **learning languages as a way of thanking Allah for al-bayān.**

Languages and colours: two signs of Allah

وَمِنْ آيَاتِهِ خَلْقُ السَّمَاوَاتِ وَالْأَرْضِ وَاخْتِلَافُ أَلْسِنَتِكُمْ وَأَلْوَانِكُمْ ۚ إِنَّ فِي ذَٰلِكَ لَآيَاتٍ لِّلْعَالِمِينَ ﴿٢٢﴾

Wa min āyātihī khalqus-samāwāti wal-arḍi wakh-tilāfu alsinatikum wa alwānikum. Inna fī dhālika la-āyātil-lil-ʿālimīn.

"And among His signs is the creation of the heavens and the variety of your languages and your colours. Surely in that are signs for those who know."

Surah Ar-Rūm 30:22[1]

In Surah Ar-Rūm, Allah tells us that the **many languages** of people and their **many colours** are among His signs. A coloring book that teaches a language brings both of these signs together in a child's hands: they meet a new language, and they fill its letters with colour.

وَجَعَلْنَاكُمْ شُعُوبًا وَقَبَائِلَ لِتَعَارَفُوا

Wa jaʿalnākum shuʿūban wa qabāʾila li-taʿārafū.

"...and We made you into peoples and tribes so that you may get to know one another."

Surah Al-Ḥujurāt 49:13 (part)[1]

Allah made us into many peoples *so that we may get to know one another*. Learning even a few letters of someone's language is a beautiful first step towards knowing them.

How each book in the series works

Every book introduces one language **through English**:

- where the language is spoken, with a map to color;
- every letter of its alphabet, with its name in the language itself *and* in English letters;
- simple English sound guides, so a parent who has never heard the language can still help;
- a word and picture for every letter, to color, trace and say out loud.

Book 66 is Somali. More languages from around the world are in the series, in shā' Allāh.

FOR PARENTS AND TEACHERS

How to use this book

Begin with **Bismillah**, and go **little and often**: one letter a day is plenty for a young child. For each letter:

1. **Say it.** Read the letter's name and its sound guide together. Say it three times.
2. **Color it.** Color the big letter any way your child likes.
3. **Trace it.** Trace the dotted letters with a pencil, then try one alone in the empty boxes.
4. **Meet the word.** Say the word, color the picture, and talk about it in English.

Marker tip: every coloring page has a blank back, so colours cannot spoil the next activity. Slip a sheet of scrap paper behind the page you are coloring anyway — it keeps the next page clean.

Reading the English sound guides

- **hh** in the pronunciation is the deep, breathy 'h' of Somali **X**.
- **'** (an apostrophe) in the pronunciation is the squeezed throat sound of Somali **C**.
- **q** is a deep 'k' from the back of the throat; **kh** is the scratchy sound in "loch".
- **dh** is a 'd' with the tongue curled back; **r** is rolled.
- In Somali spelling a doubled vowel is long (**aa ee ii oo uu**). In the pronunciation, **aa** is a long 'a' as in "father", **ee** says 'ee' as in "see", **oo** says 'oo' as in "moon", **oh** says 'o' as in "go" and **eh** says 'e' as in "bed".
- Somali uses rises in pitch rather than strong stress, so no syllable is written in capitals here.

Three ways to see every sound

Each letter page shows the sound three ways: the letter's **Somali name** written in Somali (native phonetics), the **same name in English letters**, and an **English sound guide**. The box marked *Somali letter name · higgaad* shows the name Somali children use for the letter (B is «Ba», X is «Xa»…) and its row of syllables, the way Somali children learn to read (*higgaad*).

The pronunciation guides are simplified for young learners and follow Standard Somali (af-Maxaa).

MEET THE LANGUAGE

Hello, Somali! af-Soomaali

af soo-maa-li — the Somali word for the language

Who speaks it?
About **22 million people** speak Somali.[3]

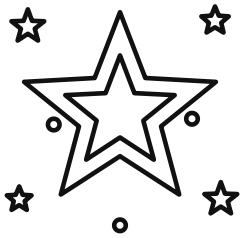

Where?
In the **Horn of Africa** — Somalia, Djibouti, eastern Ethiopia and northeastern Kenya — and by Somali families all over the world.

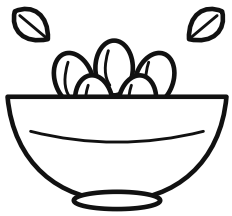

How is it written?
In the **Latin alphabet**, from **left to right**. For centuries, Somali scholars also wrote it in Arabic letters.

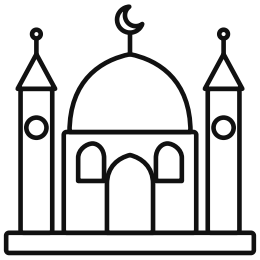

How many letters?
21 consonants and **5 vowels** — **26 letters** — plus the little stop mark **'**.

Sounds of the Qur'an
Somali **X**, **C** and **Q** are the throat sounds of the Arabic letters *Ḥā'*, *'Ayn* and *Qāf*, so Somali children find Qur'an letters easy to say!

Did you know?
Somalia is often called a **"nation of poets"**. Many Somali words come from Arabic: *kitaab* (book), *salaad* (prayer), *masjid* (mosque).

Read the alphabet row by row — the same order as in this book.

The circle shows the Horn of Africa on the world map.

COLOR THE MAP

Where is Somali spoken?

Color it: the land **green** · the seas **blue**. **Find it:** the dashed line shows where most Somali speakers live, around Mogadishu, Hargeisa, Bosaso, Kismayo and Djibouti.

This page is left blank on purpose, so your colours don’t bleed through. ✿

The Consonants shibbanayaasha

shib-ba-na-yaa-sha — “the consonants”

Somali children learn their letters in a special order that begins **B T J X KH D R S SH DH C G F Q K L M N W H Y**. This book keeps that order: **21 consonants**, then the **5 vowels**.

Sounds from the throat
X, **C**, **KH** and **Q** are deep throat sounds — the same sounds as the Arabic letters *Ḥā’*, *‘Ayn*, *Khā’* and *Qāf* that you hear in the Qur’an. In Somali, **X** is never ‘ks’ and **C** is never ‘k’!

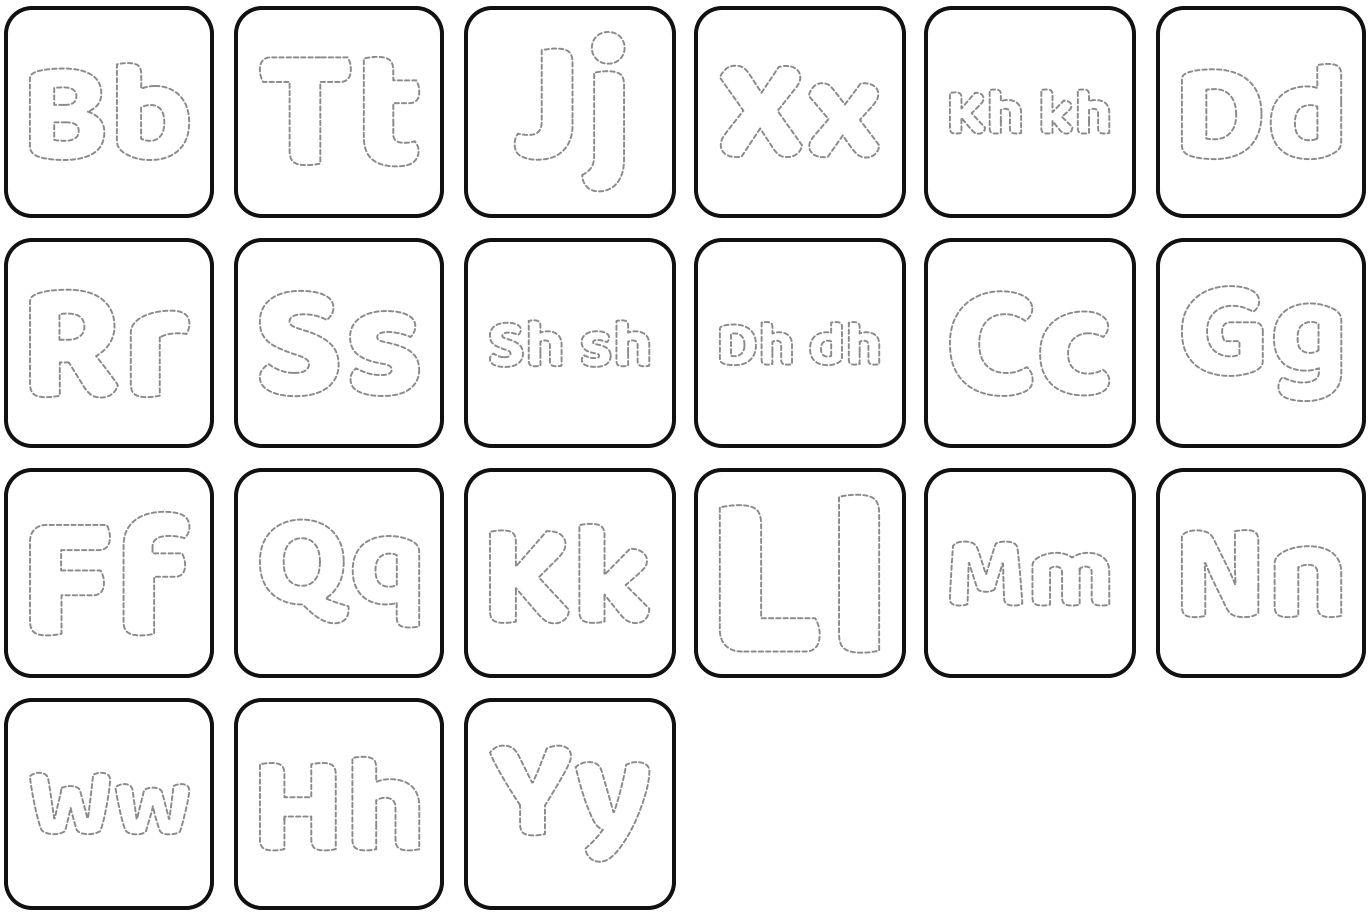

Two letters, one sound
KH, **SH** and **DH** are written with two letters but are each **one** sound, with a page of their own.

Ba, be, bi, bo, bu
Somali children read by joining each letter with the vowels. Every page shows the letter’s row: *ba · be · bi · bo · bu*. Say it like a song!
