ABOUT THIS SERIES

The Allamahul Bayan Series

عَلَّمَهُ الْبَيَانَ

ʿallamahul-bayān — "He taught him clear expression"

الرَّحْمَٰنُ ﴿١﴾ عَلَّمَ الْقُرْآنَ ﴿٢﴾ خَلَقَ الْإِنسَانَ ﴿٣﴾ عَلَّمَهُ الْبَيَانَ ﴿٤﴾

Ar-Raḥmān. ʿAllamal-Qurʾān. Khalaqal-insān. ʿAllamahul-bayān.

"The Most Merciful. He taught the Qur'an. He created the human being. He taught him clear expression (al-bayān)."

Surah Ar-Raḥmān 55:1–4[1]

Surah Ar-Raḥmān — the chapter of *The Most Merciful* — opens by naming some of Allah's greatest gifts to us. First, **He taught the Qur'an**. Then, **He created the human being**. And then, **He taught him al-bayān**.

What does *al-bayān* mean? It comes from an Arabic root that means *to make something clear*. Al-bayān is the gift of speech and understanding: being able to put what is in our hearts and minds into words, to explain, to listen, and to be understood. Animals make sounds, but only people were taught to speak, read and write in languages. Scholars of tafsīr explain that this gift is what lets us learn, teach and pass on guidance — including the Qur'an itself.

So every time a child says a new word, sounds out a letter, or writes their first line in a new language, they are using a gift that Allah Himself says He taught. That is the heart of this series: **learning languages as a way of thanking Allah for al-bayān.**

Languages and colours: two signs of Allah

وَمِنْ آيَاتِهِ خَلْقُ السَّمَاوَاتِ وَالْأَرْضِ وَاخْتِلَافُ أَلْسِنَتِكُمْ وَأَلْوَانِكُمْ ۚ إِنَّ فِي ذَٰلِكَ لَآيَاتٍ لِّلْعَالِمِينَ ﴿٢٢﴾

Wa min āyātihī khalqus-samāwāti wal-arḍi wakh-tilāfu alsinatikum wa alwānikum. Inna fī dhālika la-āyātil-lil-ʿālimīn.

"And among His signs is the creation of the heavens and the variety of your languages and your colours. Surely in that are signs for those who know."

Surah Ar-Rūm 30:22[1]

In Surah Ar-Rūm, Allah tells us that the **many languages** of people and their **many colours** are among His signs. A coloring book that teaches a language brings both of these signs together in a child's hands: they meet a new language, and they fill its letters with colour.

وَجَعَلْنَاكُمْ شُعُوبًا وَقَبَائِلَ لِتَعَارَفُوا

Wa jaʿalnākum shuʿūban wa qabāʾila li-taʿārafū.

"...and We made you into peoples and tribes so that you may get to know one another."

Surah Al-Ḥujurāt 49:13 (part)[1]

Allah made us into many peoples *so that we may get to know one another*. Learning even a few letters of someone's language is a beautiful first step towards knowing them.

How each book in the series works

Every book introduces one language **through English**:

- where the language is spoken, with a map to color;
- every letter of its alphabet, with its name in the language itself *and* in English letters;
- simple English sound guides, so a parent who has never heard the language can still help;
- a word and picture for every letter, to color, trace and say out loud.

Book 86 is K'iche'. More languages from around the world are in the series, in shā' Allāh.

FOR PARENTS AND TEACHERS

How to use this book

Begin with **Bismillah**, and go **little and often**: one letter a day is plenty for a young child. For each letter:

1. **Say it.** Read the letter's name and its sound guide together. Say it three times.
2. **Color it.** Color the big letter any way your child likes.
3. **Trace it.** Trace the dotted letters with a pencil, then try one alone in the empty boxes.
4. **Meet the word.** Say the word, color the picture, and talk about it in English.

Marker tip: every coloring page has a blank back, so colours cannot spoil the next activity. Slip a sheet of scrap paper behind the page you are coloring anyway — it keeps the next page clean.

Reading the English sound guides

- **CAPITALS** in the pronunciation show the stressed syllable — in K'iche' it is almost always the **last** one: *ch'oo-MEEL*.
- An **apostrophe (')** in the pronunciation means a little **pop** or stop in the throat.
- **kh** is the K'iche' letter **j**: a breathy sound from the throat, like Arabic **kh** (خ).
- **q** is a 'k' made far back in the throat, like Arabic **qaf** (ق).
- **sh** is the K'iche' letter **x**, and **ts** is the letter **tz**.

Three ways to see every sound

Each letter page shows the sound three ways: the letter's **K'iche' name** written in K'iche' (native phonetics), the **same name in English letters**, and an **English sound guide**. The box marked *K'iche' letter name* shows a simple name for the letter (the sound plus "a": «ka», «k'a»...), the way many Guatemalan Mayan primers say the alphabet.

The pronunciation guides are simplified for young learners and follow K'iche' in the official alphabet of the Academia de Lenguas Mayas de Guatemala (ALMG).

MEET THE LANGUAGE

Hello, K'iche'! K'iche'

k'ee-CHEH' — the K'iche' word for the language

Who speaks it?
More than **1 million people** speak K'iche' — one of the biggest Mayan languages.[3]

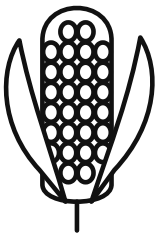

Where?
In the green **highlands of Guatemala**, around Quetzaltenango, Totonicapán, Santa Cruz del Quiché and Lake Atitlán.

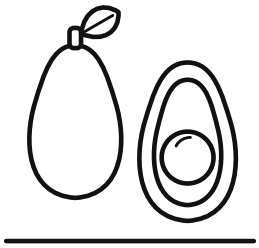

How is it written?
In the **Latin alphabet**, from **left to right**, with a little mark (**'**) for its popping sounds.

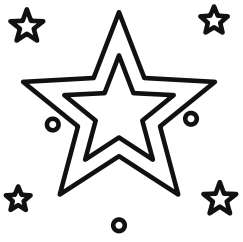

How many letters?
26 letters in this book: 5 vowels and 21 consonants.

A Mayan language
K'iche' is one of more than **20 Mayan languages** spoken in Guatemala, Mexico and Belize.

Did you know?
K'iche' counts in **twenties**: *juwinaq* means twenty. And it has the same deep **q** sound as Arabic ق!

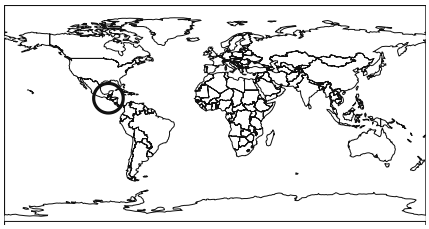

THE WHOLE ALPHABET

The K'iche' Alphabet taq tz'ib'

26 letters — taq tz'ib'

Aa *ah*	**B' b'** *b'ah*	**Ch ch** *chah*	**Ch' ch'** *ch'ah*	**Ee** *eh*	**Ii** *ee*
Jj *khah*	**Kk** *kah*	**K' k'** *k'ah*	**Ll** *lah*	**Mm** *mah*	**Nn** *nah*
Oo *oh*	**Pp** *pah*	**Qq** *qah*	**Q' q'** *q'ah*	**Rr** *rah*	**Ss** *sah*
Tt *tah*	**T' t'** *t'ah*	**Tz tz** *tsah*	**Tz' tz'** *ts'ah*	**Uu** *oo*	**Ww** *wah*
Xx *shah*	**Yy** *yah*				

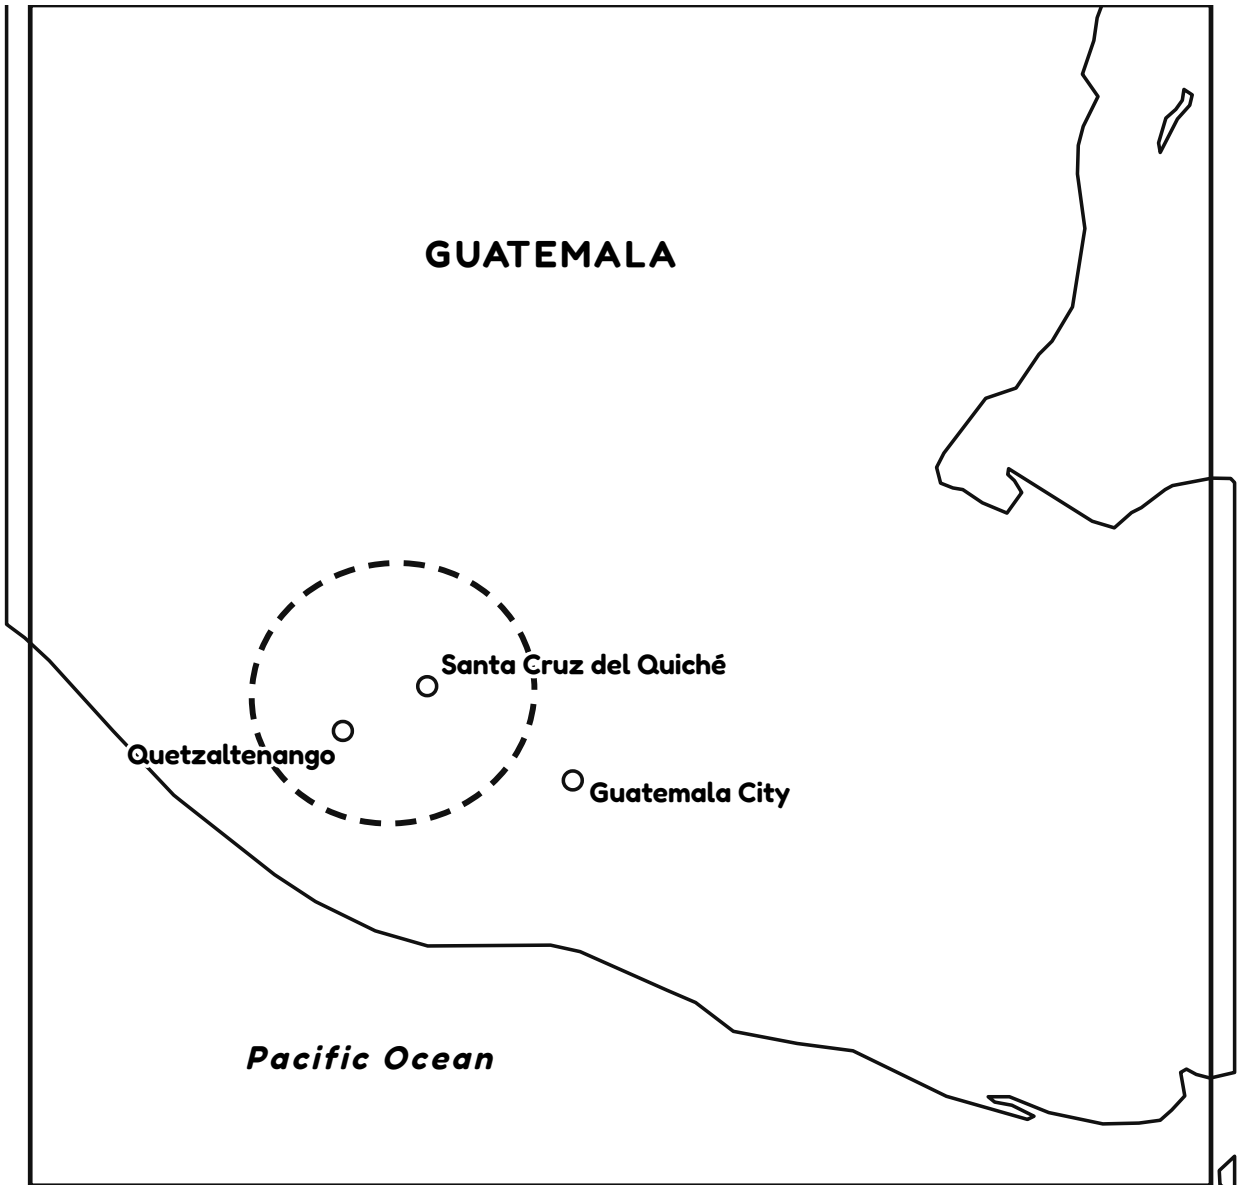

Read the alphabet row by row — the same order as in this book.

The circle shows Guatemala, in Central America, on the world map.

COLOR THE MAP

Where is K'iche' spoken?

Color it: the land **green** · the ocean **blue**. **Find it:** K'iche' is spoken in the western highlands, in Quetzaltenango, Santa Cruz del Quiché and many towns around them. The dashed line shows where most K'iche' speakers live.

This page is left blank on purpose, so your colours don’t bleed through. ✿

The Letters taq tz'ib'

tahq ts'eeb' — "the letters"

K'iche' is written with the official **Mayan alphabet** of Guatemala's Academy of Mayan Languages. This book teaches its **26 letters**: 5 vowels (**a e i o u**) and 21 consonants.

The little mark (')
A mark after a letter makes a **popping** sound: **b' ch' k' q' t' tz'**. Stop the air in your throat, then let it go — pop! **K** and **K'** are different letters, so listen carefully.

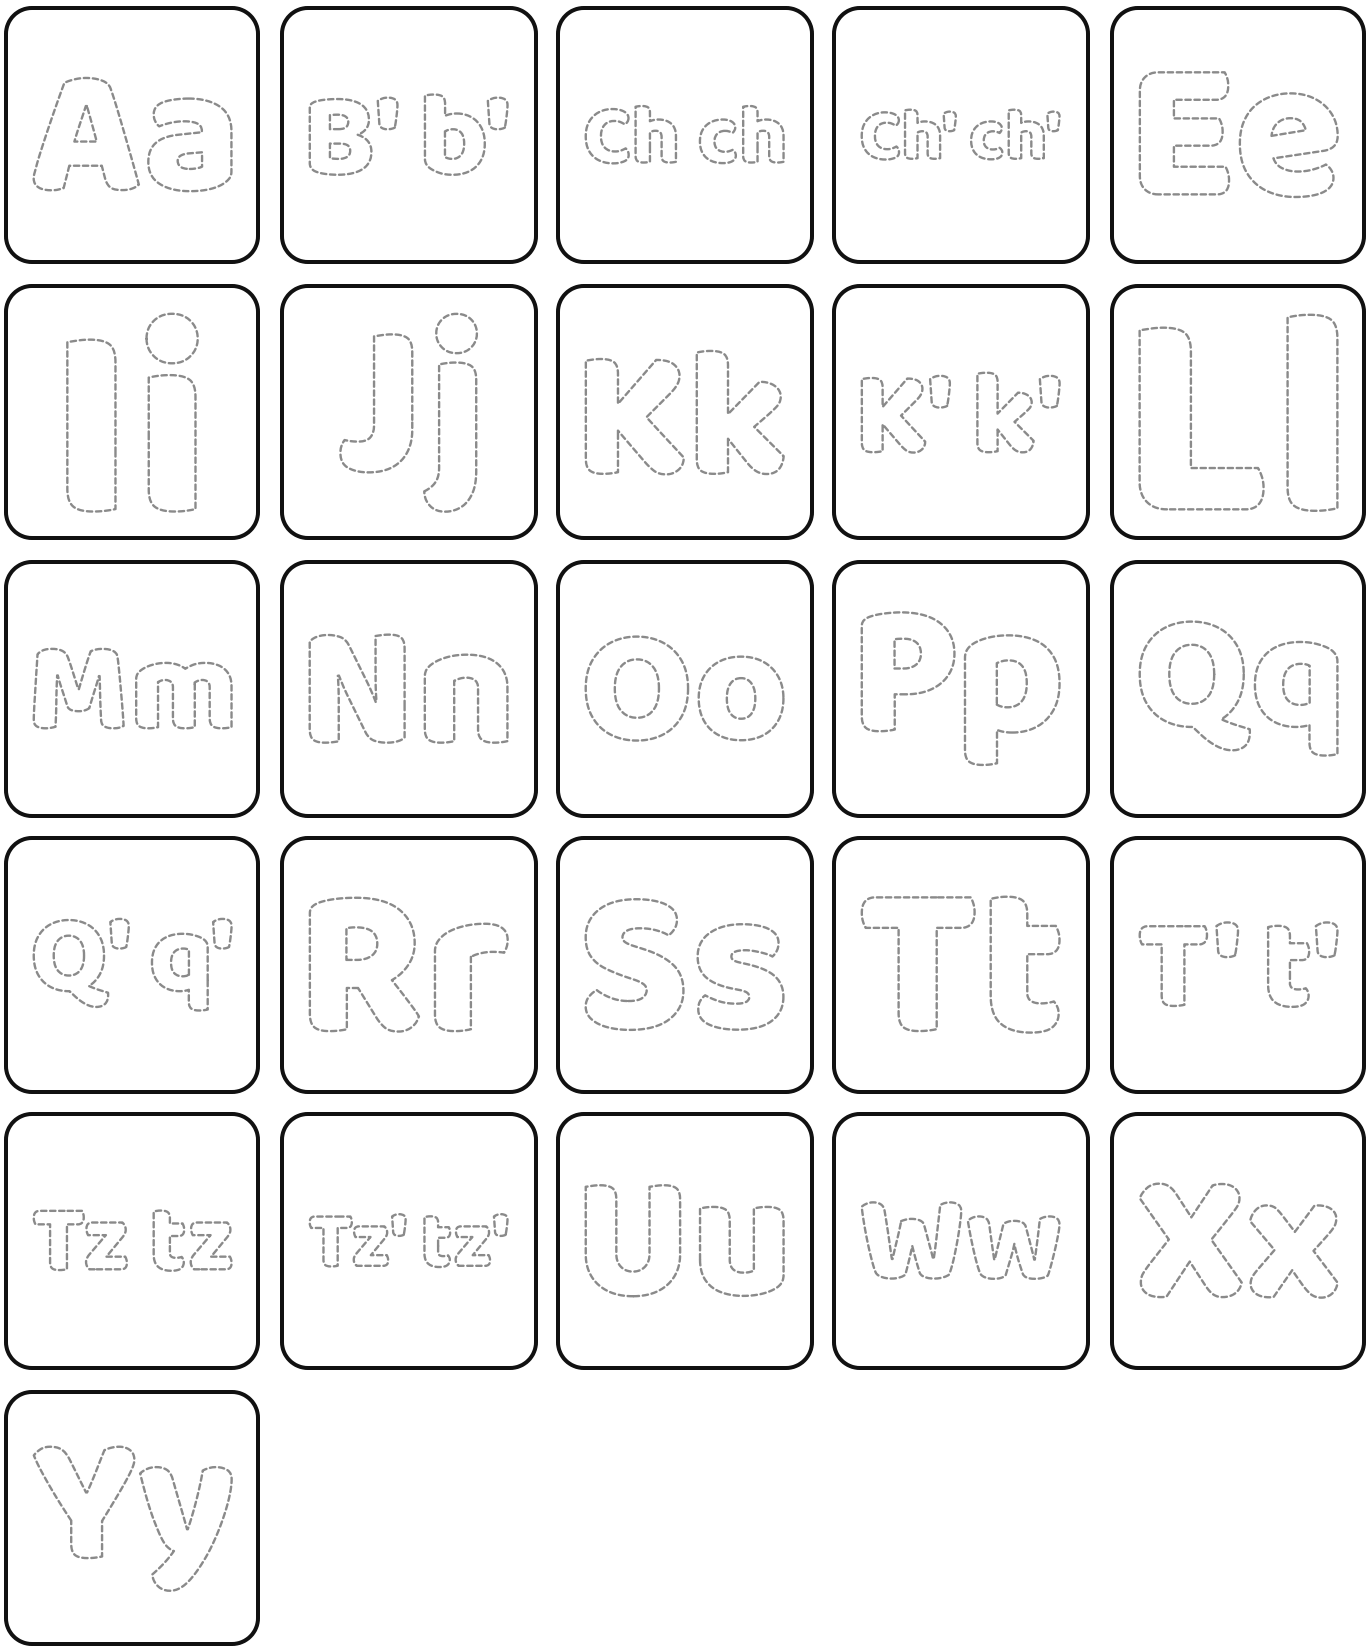

A stop in the voice
The same mark on its own is a quick stop in the voice: *ja* is "house", but *ja'* is "water". Some writers also show **long vowels** by writing them twice (*aa*, *ee*).

Big and small
Each page shows the **capital letter** and the **small letter** side by side: **Aa**, **Ch' ch'**. Color both!

PENCIL WARM-UP

Trace the letters taq tz'ib'

Use a **pencil**. Say each letter's name as you trace it.
