Color your way into Aymara — one letter at a time!

Aymara is spoken by about 2 million people on the high plains of the Andes around Lake Titicaca. This big, friendly coloring book introduces young children to **32 letters** of Aymara **through English** — no Aymara needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Aymara *and* English letters
- ✓ **Easy English sound guides** plus each letter's Aymara name and its syllables (cha, chi, chu)
- ✓ **A word and picture for every letter**: uta *U-ta* house, phaxsi *PHAKH-si* moon…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Aymara numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
