Color your way into Igbo — one letter at a time!

Igbo is spoken by about 30 million people, most of them in south-eastern Nigeria. This big, friendly coloring book introduces young children to **36 letters** of Igbo **through English** — no Igbo needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Igbo *and* English letters
- ✓ **Easy English sound guides** plus each letter's Igbo name and its syllables (ba, be, bi, bị, bo, bọ, bu, bụ)
- ✓ **A word and picture for every letter**: ụlọ *u-law* house, mmiri *m-mee-ree* water…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Igbo numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.

About the author. Hafez Abdullah Muhammad Minhaz Reza is a ḥāfiẓ of the Qur'an and holds a BSS and MSS in Economics from the University of Dhaka. A father of two, he founded the Kunujul Akhirah Charitable Trust and its publishing imprint, Maktabatu Kunujul Akhirah.
