Color your way into Sesotho — one letter at a time!

Sesotho is spoken by about 6 million people in Lesotho and South Africa. This big, friendly coloring book introduces young children to **22 letters** of Sesotho **through English** — no Sesotho needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Sesotho *and* English letters
- ✓ **Easy English sound guides** plus each letter's Sesotho name and its syllables (ba, be, bi, bo, bu)
- ✓ **A word and picture for every letter**: pula *POO-lah* rain, naledi *nah-LEH-dee* star…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Sesotho numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
