Color your way into Balinese — one letter at a time!

Balinese is spoken by about 3 million people on the island of Bali in Indonesia. This big, friendly coloring book introduces young children to **27 letters and signs** of Balinese **through English** — no Balinese needed at home.

✓ **Every letter on its own page** — a giant letter to color, its name in Balinese *and* English letters
✓ **Easy English sound guides** plus a syllable chart for every letter (ᬓ *ka*, ᬓᬶ *ki*, ᬓᬸ *ku*...)
✓ **A word and picture for every letter**: ᬮᬬᬗᬦ᭄ *layangan* kite, ᬜᬸᬄ *nyuh* coconut...
✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
✓ **Map to color**, Balinese numbers ᭐–᭙, first phrases and a certificate
✓ **Single-sided coloring pages** so markers never ruin the next picture

> **The Allamahul Bayan Series** takes its name from Surah Ar-Raḥmān: *“He taught him clear expression”* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.

About the author. Hafez Abdullah Muhammad Minhaz Reza is a ḥāfiẓ of the Qur’an and holds a BSS and MSS in Economics from the University of Dhaka. A father of two, he founded the Kunujul Akhirah Charitable Trust and its publishing imprint, Maktabatu Kunujul Akhirah.
