Color your way into Afrikaans — one letter at a time!

Afrikaans is spoken by millions of people in South Africa and Namibia, among them the Muslims of the Cape. This big, friendly coloring book introduces young children to **26 letters** of Afrikaans **through English** — no Afrikaans needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Afrikaans *and* English letters
- ✓ **Easy English sound guides** plus each letter's Afrikaans name (A «aa», B «bee», G «gee»...)
- ✓ **A word and picture for every letter**: son *SAWN* sun, huis *HAYS* house...
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Afrikaans numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
