ABOUT THIS SERIES

The Allamahul Bayan Series

عَلَّمَهُ الْبَيَانَ

ʿallamahul-bayān — "He taught him clear expression"

الرَّحْمَٰنُ ﴿١﴾ عَلَّمَ الْقُرْآنَ ﴿٢﴾ خَلَقَ الْإِنسَانَ ﴿٣﴾ عَلَّمَهُ الْبَيَانَ ﴿٤﴾

Ar-Raḥmān. ʿAllamal-Qurʾān. Khalaqal-insān. ʿAllamahul-bayān.

"The Most Merciful. He taught the Qur'an. He created the human being. He taught him clear expression (al-bayān)."

Surah Ar-Raḥmān 55:1–4[1]

Surah Ar-Raḥmān — the chapter of *The Most Merciful* — opens by naming some of Allah's greatest gifts to us. First, **He taught the Qur'an**. Then, **He created the human being**. And then, **He taught him al-bayān**.

What does *al-bayān* mean? It comes from an Arabic root that means *to make something clear*. Al-bayān is the gift of speech and understanding: being able to put what is in our hearts and minds into words, to explain, to listen, and to be understood. Animals make sounds, but only people were taught to speak, read and write in languages. Scholars of tafsīr explain that this gift is what lets us learn, teach and pass on guidance — including the Qur'an itself.

So every time a child says a new word, sounds out a letter, or writes their first line in a new language, they are using a gift that Allah Himself says He taught. That is the heart of this series: **learning languages as a way of thanking Allah for al-bayān.**

Languages and colours: two signs of Allah

وَمِنْ آيَاتِهِ خَلْقُ السَّمَاوَاتِ وَالْأَرْضِ وَاخْتِلَافُ أَلْسِنَتِكُمْ وَأَلْوَانِكُمْ ۚ إِنَّ فِي ذَٰلِكَ لَآيَاتٍ لِّلْعَالِمِينَ ﴿٢٢﴾

Wa min āyātihī khalqus-samāwāti wal-arḍi wakh-tilāfu alsinatikum wa alwānikum. Inna fī dhālika la-āyātil-lil-ʿālimīn.

"And among His signs is the creation of the heavens and the variety of your languages and your colours. Surely in that are signs for those who know."

Surah Ar-Rūm 30:22[1]

In Surah Ar-Rūm, Allah tells us that the **many languages** of people and their **many colours** are among His signs. A coloring book that teaches a language brings both of these signs together in a child's hands: they meet a new language, and they fill its letters with colour.

وَجَعَلْنَاكُمْ شُعُوبًا وَقَبَائِلَ لِتَعَارَفُوا

Wa jaʿalnākum shuʿūban wa qabāʾila li-taʿārafū.

"...and We made you into peoples and tribes so that you may get to know one another."

Surah Al-Ḥujurāt 49:13 (part)[1]

Allah made us into many peoples *so that we may get to know one another*. Learning even a few letters of someone's language is a beautiful first step towards knowing them.

How each book in the series works

Every book introduces one language **through English**:

- where the language is spoken, with a map to color;
- every letter of its alphabet, with its name in the language itself *and* in English letters;
- simple English sound guides, so a parent who has never heard the language can still help;
- a word and picture for every letter, to color, trace and say out loud.

Book 88 is Mapudungun. More languages from around the world are in the series, in shā' Allāh.

FOR PARENTS AND TEACHERS

How to use this book

Begin with **Bismillah**, and go **little and often**: one letter a day is plenty for a young child. For each letter:

1. **Say it.** Read the letter's name and its sound guide together. Say it three times.
2. **Color it.** Color the big letter any way your child likes.
3. **Trace it.** Trace the dotted letters with a pencil, then try one alone in the empty boxes.
4. **Meet the word.** Say the word, color the picture, and talk about it in English.

Marker tip: every coloring page has a blank back, so colours cannot spoil the next activity. Slip a sheet of scrap paper behind the page you are coloring anyway — it keeps the next page clean.

Reading the English sound guides

- **CAPITALS** show the stressed syllable: *ROO-ka* means "say ROO a little louder".
- **uh** in the sound guide is the special vowel **ü**: smile and say "oo".
- **th** is the soft "th" of "this" (the letter **d**); **gh** is a soft gargled 'g' (the letter **g**).
- **tr** is one sound, like the start of "tree"; **ly** is the 'lli' in "million"; **ny** is the 'ny' in "canyon".

Three ways to see every sound

Each letter page shows the sound three ways: the letter's **Mapudungun name** written in Mapudungun (native phonetics), the **same name in English letters**, and an **English sound guide**. The box marked *Mapudungun name · syllables* shows how the letter is called and its row of syllables with the six vowels (*ka, ke, ki, ko, ku, kü*).

The pronunciation guides are simplified for young learners and follow Mapudungun of the Araucanía (southern Chile), Alfabeto Mapuche Unificado.

MEET THE LANGUAGE

Hello, Mapudungun! Mapudungun

ma-poo-THOO-ngoon — the Mapudungun word for the language

Who speaks it?
About **250,000 people** speak Mapudungun, the language of the **Mapuche** people.[3]

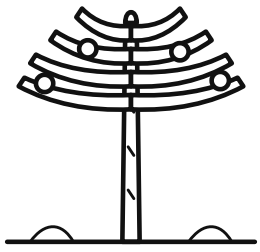

Where?
In **southern Chile**, around the city of **Temuco**, and across the Andes in **Argentina** — and also in big cities such as Santiago.

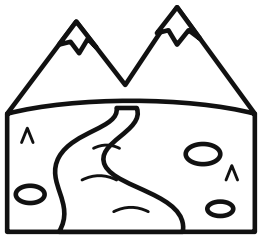

How is it written?
In the **Latin alphabet**, from **left to right**. People use a few different spelling systems; this book uses the **Unified Mapuche Alphabet**.

How many letters?
24 letters: **6 vowels** (with the special **ü**) and **18 consonants**.

Its own name
Mapudungun means “the speech of the land”: *mapu* (land) + *dungun* (speech). *Mapuche* means “people of the land”.

Did you know?
Many places in Chile have Mapudungun names. *Temuco* comes from *temu* (a tree) + *ko* (water).

Read the alphabet row by row — the same order as in this book.

The circle shows southern Chile and Argentina on the world map.

COLOR THE MAP

Where is Mapudungun spoken?

Color it: the land **green** · the oceans **blue**. **Find it:** Mapudungun is spoken around Temuco and Valdivia in Chile and Neuquén in Argentina, between the Pacific Ocean and the Andes. The dashed line shows where most speakers live.

This page is left blank on purpose, so your colours don’t bleed through. ✿

The Vowels a e i o u ü

the six vowels

Mapudungun has **six vowels**: **a, e, i, o, u** and a special one, **ü**.

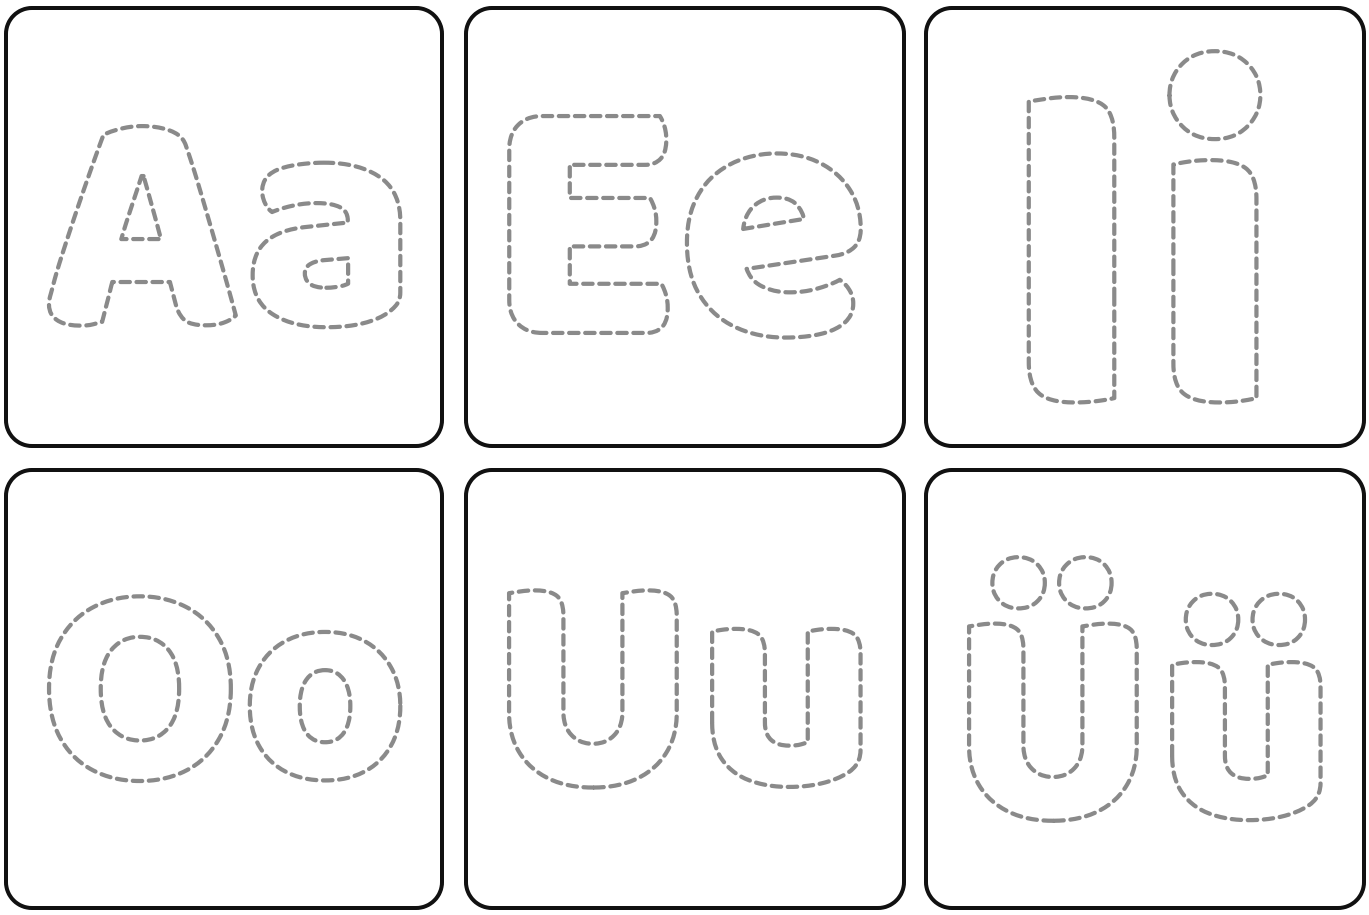

The sixth vowel
ü sits between “ee” and “oo”. Smile as if to say “ee”, then try to say “oo”. You hear it in *antü* (sun) and *küyen* (moon).

Big and small
Each page shows the **capital letter** and the **small letter** side by side: **Aa**. Color both!
