## Color your way into Balochi — one letter at a time!

Balochi is spoken by about 8 million people, mostly in the south-west of Pakistan and in nearby lands by the Arabian Sea. This big, friendly coloring book introduces young children to **27 letters** of Balochi **through English** — no Balochi needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Balochi *and* English letters
- ✓ **Easy English sound guides** plus each letter's **joined shapes** (start · middle · end)
- ✓ **A word and picture for every letter**: روچ *roch* sun, پُل *pul* flower…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Balochi numbers ۰–۹, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

**The Allamahul Bayan Series** takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
