Color your way into Javanese — one letter at a time!

Javanese is spoken by about 68 million people on the island of Java in Indonesia and around the world. This big, friendly coloring book introduces young children to **29 letters and signs** of Javanese **through English** — no Javanese needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Javanese *and* English letters
- ✓ **Easy English sound guides** plus a syllable chart for every letter (ꦏ *ka*, ꦏꦶ *ki*, ꦏꦸ *ku*...)
- ✓ **A word and picture for every letter**: ꦏꦼꦩ꧀ꦧꦁ *kembang* flower, ꦗꦒꦸꦁ *jagung* corn...
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Javanese numbers ꧐–꧙, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

> **The Allamahul Bayan Series** takes its name from Surah Ar-Raḥmān: *“He taught him clear expression”* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.

About the author. Hafez Abdullah Muhammad Minhaz Reza is a ḥāfiẓ of the Qur’an and holds a BSS and MSS in Economics from the University of Dhaka. A father of two, he founded the Kunujul Akhirah Charitable Trust and its publishing imprint, Maktabatu Kunujul Akhirah.
