Color your way into Malay — one letter at a time!

Malay is spoken by about 80 million people in Malaysia, Brunei, Singapore and southern Thailand, and Jawi is its traditional Arabic-based script. This big, friendly coloring book introduces young children to **37 letters** of Malay **through English** — no Malay needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Malay *and* English letters
- ✓ **Easy English sound guides** plus each letter's **joined shapes** (start · middle · end) and the **Rumi** spelling of every word
- ✓ **A word and picture for every letter**: بولن *bulan* moon, بوڠا *bunga* flower…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Malay numbers ٩–٠, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
