Color your way into Haitian Creole — one letter at a time!

Haitian Creole (Kreyòl) is spoken by about 12 million people in Haiti and around the world. This big, friendly coloring book introduces young children to **32 letters and sounds** of Haitian Creole **through English** — no Haitian Creole needed at home.

- ✓ **Every letter on its own page** — a giant letter to color, its name in Haitian Creole *and* English letters
- ✓ **Easy English sound guides** plus each letter's Kreyòl name and its syllables (ba, be, bi, bo, bou)
- ✓ **A word and picture for every letter**: solèy *soh-LEY* sun, kokoye *koh-koh-YAY* coconut…
- ✓ **Pencil tracing rows** and a warm-up page for every part of the alphabet
- ✓ **Map to color**, Haitian Creole numbers 0–9, first phrases and a certificate
- ✓ **Single-sided coloring pages** so markers never ruin the next picture

The Allamahul Bayan Series takes its name from Surah Ar-Raḥmān: *"He taught him clear expression"* (55:4). Each book helps children thank Allah for the gift of language by meeting a new one — its letters, its sounds and the people who speak it.
